Applicant, through its authorized representative, represents and warrants that Applicant is applying for a business credit account from Straub Tool Shop("STS") that will be used for business purposes. Applicant and each person whose information is provided of this Application authorizes STS to investigate Applicant's credit history, respectively, both business and **personal** (which may include obtaining business and/or **personal** credit reports from a credit reporting agency), bank references and any other information deemed necessary by STS in connection with the establishment and maintenance of Applicant's commercial credit account. STS may report account activity and payment history to certain third parties, including credit bureaus. Applicant agrees: (a) to make timely payment for all goods and services supplied to Applicant regardless of any credit limit assigned by STS, and (b) in the event Applicant's account is placed for collection to pay all costs including actual attorney's fees and court costs incurred by STS in the collection of any amounts owed to STS by Applicant. In the event of default and in addition to all other available remedies, STS may charge interest on any past due balance at the rate of 2% per month with said interest being calculated from the date of default. No Modification of this Application or agreement will be binding on STS unless approved by an authorized representative of STS's Credit Department.
